Dear PMC Friends,

This is [Public Service Recognition Week](#) so we wanted to make sure to send you a heart-felt THANK YOU! You are essential to civil society and you work hard. When things go wrong, we look to you to solve our problems, to quiet our greatest fears. You are decent, heroic, honorable, and admirable. Each generation of you carries us "toward a more perfect Union." It's an honor to spend time with you in the classroom and community. Keep up the good work and thank you!

Please take time today to pat yourself on the back, and [pass this along](#) to the public servants that you know.

[Public Service Recognition Week](#)

Since 1985, the first full week of May has been celebrated as Public Service Recognition Week (PSRW). It is an opportunity for citizens across the nation to offer a simple thank you to the men and women whose work maintains and improves our communities every day.

We hope that you will take time this week to thank other public servants who have been instrumental in your career but also know that what motivates our staff is our belief in the important work that you do every day to support our communities. So thank you — and thank you for inviting us along on your journey.

One business in Lawrence would like to thank you on **Monday, May 6 (TODAY)**. **Dunn Bros Coffee** (1618 W. 23rd Street, Lawrence, KS) will be giving a **10% discount to public sector employees** all day (6 a.m. - 9 p.m.) - give them **discount code #114** when you're placing your order. Pretty cool, right?!

Also, we would love it if you joined us for some refreshments
