

## How moral issues tie to school lunches

KU researcher Suzanne Rice, professor of educational leadership and policy studies, has organized two symposia and is editing a special issue of a journal that has brought together educational scholars from across the country to consider moral issues related to school lunch such as nutritional implications, social issues, animal rights, food sources, feminism and policy implications.

### TODAY'S HEADLINES

#### Gift will create student center

A three-story center to be built on Naismith Drive, through a gift from KU alumni Paul and Katherine DeBruce, of Mission Hills, will provide dining and meeting facilities as well as house James Naismith's original "Rules of Basketball."

#### New book on women's sports injuries

A professor of orthopedic surgery at KU Medical Center is the senior editor and co-author of a new textbook, Women's Sports Injuries. In addition to ACL and meniscus tears, the researcher says female athletes are more likely than their male counterparts to suffer from "runner's knee," as well as stress fractures and sprained ankles.
