## Guidelines for Contributors

The mission of *Slovenski jezik – Slovene Linguistic Studies* is to publish articles concerned primarily with Slovene or of interest to Slovene linguistics. Articles will be published as a rule in Slovene or English with abstracts in both languages. Papers sent to the Editorial Board by the beginning of each even-numbered academic year will be considered for publication in the following spring issue. Manuscripts should not exceed 18 double-spaced typewritten pages (or 30,000 characters). All articles must be submitted in Word format and as a PDF file. Please contact one of the Editors or consult the journal's webpage for details on preferred format and style.
