Contributors

RALPH BELL works for the Center for Health Administration Studies at the University of Chicago. His areas of interest are in urban sociology and human ecology.

JEFFREY L. CRANE is assistant professor of sociology with the University of Hawaii at Hilo. His primary research interests include critical-interpretive sociology, language, myth, and semiotics.

FABIO B. DASILVA is professor of sociology at the University of Notre Dame. His primary research interests are in social theory, and cultural sociology.

DEREK G. GILL is currently associate director for Postdoctoral Training at the University Medical Center, and teaches for the departments of sociology, and family and community medicine at the University of Missouri-Columbia. This past summer he served as the International Sociological Association's Coordinator of the Research Committee on Medical Sociology for the 10th World Congress of Sociology held in Mexico City.

MICHAEL G. LACY, recently assistant professor-temporary at Kansas State University, has accepted a position at the University of Nebraska at Omaha. His research interests are in energy and society, methods, and social theory.

BARBARA E. RYAN is presently a Ph.D. candidate at Washington University, St. Louis, Missouri. Her dissertation research is on the Women's Movement, specifically, the dynamics of growth and change in feminist theory and movement activism. Primary interest areas include social movements/social change, the family, and women's studies.

W. RICHARD STEPHENS, JR. is a Ph.D. candidate in sociology at the University of Kansas. His research interests are in organizations, criminology, and social change/social movements.
