About the Author

John W. Dardess is, yes, enjoying old age; engaging with family—George, Tad, Pam, Lea, and Maya; lifting a cold one with local friends at Johnny’s every Saturday; and **more** cold ones with KU friends every Monday night; growing spinach; bicycling ever shorter distances; taking what laughingly might be called power walks; and writing books about the history of China—still exploiting interests and skills developed sixty years ago while with the US army in Monterey, Okinawa, and Taiwan.

“About the Author” was from the last page in Dardess’ *More Than the Great Wall: The Northern Frontier and Ming National Security, 1368–1644* published in early 2020.
