Housing announces new residence halls

As part of the goal of the University of Kansas to transform undergraduate education, KU Student Housing plans to build two freshman-oriented residence halls by the fall of 2015. These halls will replace McCollum Residence Hall, which will be razed.

KU names 2013 honorary degree recipients

A world-renowned dancer and choreographer, an acclaimed artist and sculptor, and a heralded advocate of sustainable agriculture will each receive an honorary degree from the University of Kansas at its 2013 Commencement. Chancellor Bernadette Gray-Little recommended to the Kansas Board of Regents that Karole Armitage, Wendell Castle and Wes Jackson be honored for their contributions to society. The Board unanimously approved the degrees.
