### Recycle and Blue Gameday Recycling Program

Working together with Kansas Athletics, KU Student Senate will unveil its Recycle and Blue KU game day recycling program during the Homecoming football game. Participants can find recycling areas on the way toward main entrances of Memorial Stadium, the Hill tailgating area and in the parking lots east of the stadium. During the game, KU will also be participating in the EPA Game Day Challenge, which is a friendly competition between colleges and universities to promote waste reduction at their football games. Participate by recycling and you are not only helping the environment, but you could also win prizes!
