DR. NAISMITH IN ACCIDENT

Lawrence Man Not Injured When Motor Car Overturns

Dr. James Naismith escaped injury Saturday night in an automobile accident which occurred as he was returning to Lawrence from Kansas City where he had attended high school basketball games at the municipal auditorium.

His automobile missed a turn on the Reedy road into highway 40 and went into a ditch. Neither he nor friends with him were injured, he said today. Passing motorists aided in righting the car and Dr. Naismith drove it home.
