INVOCATION ..................... THE REVEREND MILTON SIPPEL
Minister to the First Christian Church

HYMN ................................................................. Duke Street

O God, beneath Thy guiding hand
Our exiled fathers cross’d the sea;
And when they trod the wintry strands,
With pray’r and psalm they worshipp’d Thee.

Thou heard’st, well pleased, the song, the prayer,
Thy blessing came; and still its power
Shall onward, through all ages, bear
The memory of that holy hour.

Laws, freedom, truth, and faith in God
Came with those exiles o’er the waves;
And where their pilgrim feet have trod,
The God they trusted guards their graves.
And here Thy name, O God of love,
Their children’s children shall adore,
Till these eternal hills remove,
And Spring adorns the earth no more. Amen.

A Growing Campus To Serve A Growing University

Permanent university buildings and a portion of the dormitory system are shown in black. Nine surplus army buildings brought to the campus and being erected by the Federal Works Administration and four quonsets built by the university are shown as annexes. These 13 structures will increase classroom, laboratory and office space by 15 per cent. Some are finished and all will be ready by fall. Their uses:

Blake Annexes A & B—laboratories for advanced physics classes and research... Robinson Annex—physical education, will eliminate late-night intramural contests... Military Science Annex—ordnance storage and supply... Lindley Annex—architectural drawing, will eliminate night classes in this greatly expanded department... Marvin Annex—this quonset will be the new home of Aeronautical Engineering.

Strong Hall Annexes—A is a quonset used as study hall to absorb overflow from library... B will house the Guidance Bureau... C is new home of Veteran’s Bureau and Western Civilization reading course... D will provide classrooms and offices for the growing secretarial training curriculum in School of Business... E, the only two-story building of the new group, will be for general classrooms... Bailey Annex will provide laboratories for graduate chemistry students of which there will be more than 70 next fall.

Sunnyside Apartments, built by F.P.H.A. Six four-room apartments in each of 31 building, 186 units in all. Occupied by faculty and graduate students who are veterans.

Oread Hall, dormitory for 160 men, and McCook Hall (under east wing of stadium) for 64 men were added last fall. New one-story addition to Memorial Union will cost approximately $100,000 exclusive of equipment. Will be used to expand food service facilities. Student Union fees will pay the cost.

How to live?—that is the essential question for us. Not how to live in the mere material sense only, but in the widest sense. The general problem which comprehends every special problem is—the right ruling of conduct in all directions under all circumstances. In what way to treat the body; in what way to treat the mind; in what way to manage our affairs; in what way to bring up a family; in what way to behave as a citizen; in what way to utilize all those sources of happiness which nature supplies—how to use all our faculties to the greatest advantage of ourselves and others—how to live completely? And this being the great thing needful for us to learn, is, by consequence, the great thing which education has to teach. To prepare us for complete living is the function which education has to discharge; and the only rational mode of judging of any educational course is, to judge in what degree it discharges such function.

—Herbert Spencer, Education

Senior Reminder
for June 13, 14, 15, 16, 1947

Seventy-Fifth Annual Commencement
TO GRADUATES of 1947: This is your Commencement. Your
enthusiastic cooperation will help to make it more significant.

Seniors not receiving degrees at this Commencement, but who lack
not more than 40 grade points at the time of making application for the
degree, and not more than 14 semester hours at Commencement, and
who expect to complete the requirements for the degree by Correspond-
ence Study or by enrollment in the Summer Session, may take part in
the Commencement Exercises if they pay the diploma fee.

All candidates for degrees in June who are doing work in residence
in the Spring of 1947 are required to attend Commencement unless
excused by the Chancellor.

IN PREPARATION FOR COMMENCEMENT

1. Obtain your cap and gown Saturday, June 14, 10:00 a.m. to
   5 p.m., or Sunday, June 15, 1:00 to 3:00 p.m., at Hoch Auditorium,
   Room 402, by presentation of receipt for Senior Dues, which are paid at
   Business Office. This is important.

2. At time of obtaining cap and gown ask for parents’ tickets
   which admit them to Commencement exercises. If rainy weather
   prevails and Commencement is held in the Auditorium, these tickets
   are the only means of admission. Each senior is limited to two such
   tickets. They should be obtained without fail, if parents or other near
   family members plan to attend, and kept carefully. Last minute ex-
   cuses are hopeless before a packed house. Space is reserved for holders
   of these tickets until 7:50 p.m.

3. The charges for the Senior Breakfast, Monday morning, June 16,
   7:30 a.m., have been paid in your Senior Dues. Your cap and gown
   will be your ticket of admittance. This occasion is for members of the
   Class of 1947 only.

4. For tickets to the all-University Commencement luncheon to
   be held Monday, June 16, 12:30 p.m. at Memorial Union apply any
   time during week of June 9 at 113 Fraser hall, which is the office of
   Guy V. Keeler, luncheon ticket chairman. Each graduating senior is
   entitled to one ticket at 25c for his own use (good only for seniors in
   cap and gown) and tickets for parents at 75c each. Deadline for ob-
   taining senior tickets is Saturday, June 14 at 5 p.m.

5. Payment of Senior Dues and of Diploma Fee both can be made
   at the same time at the University business office.

COMMENCEMENT DAY

1. Wear your cap and gown to the Class Breakfast, the Baccalaure-
ate exercises, and the All-University Commencement Luncheon, as well
as to the Commencement exercises.
2. For the procession for both the Baccalaureate and Commencement exercises, be on hand in the east corridor of Frank Strong Hall at 7:00 p.m., Sunday and Monday evenings, regardless of the weather. Wraps may be left in class rooms near the east entrance (first floor) where they will be guarded until after program.

3. In case of stormy weather on either occasion, the marshals will give instructions for proceeding immediately to the Auditorium, where wraps may be checked with attendants in the anterooms at the rear of the building. In this case, do not don cap and gown until you have reached Auditorium; protect these garments from moisture.

4. Check in your cap and gown at Hoch Auditorium immediately after the exercises, and get your receipt. Upon presenting this receipt at the Registrar’s office, you may arrange for the issuance of your diploma. A penalty of 50 cents a day up to a maximum of $2.50 will be assessed if cap and gown are not returned by Tuesday noon, June 17.

5. You are especially cautioned by the manufacturers not to store diplomas in cedar chests. There is enough of the moth-killing aromatic oil in the average cedar chest to soften inks of any kind, resulting in serious damage to a diploma stored in it.

ABOUT THE PROCESSION

(a) The marshals know the marching order. Comply with their requests promptly. They will appreciate your cooperation.

(b) If you have a friend with whom you would sit, that friend should be in the same line with you—before or behind you—not beside you in the procession.

(c) Wear the caps into the Stadium or Auditorium. The men remove their caps when the signal is given to be seated.

(d) Until the time of the conferring of your degree, wear the tassel on your cap to the front, right.

(e) Upon the conferring of the degree, you will please rise when the dean of your school presents your name to the Chancellor (men replacing their caps), and as you leave the platform transfer the tassel to the front, left. Do not bring parcels, hand bags, etc., to the Commencement exercises. You cannot carry them across the stage, and you do not return to the same seat.

(f) As you return to your seat after the conferring of the degree, you will be handed a diploma ticket, to be used later. (The diploma given to you on the platform will of course be a dummy).

(g) No gum chewing during the procession or program.
