

University of Kansas,

Lawrence, Ks., Jan. 20, 1873.

Recorder..... Chapter Beta Theta Pi.

"Alpha Nu" the youngest of the family, fresh and blooming as a Goddess from the foam of the sea, sends greeting and "all hail."

Our Chapter was duly organized on the 8th inst. by Bros. L. D. L. Tosh, of Alpha, Rev. T. W. Gardner, of Beta, and W. C. Ransom, of Lambda. Four "Barbarians" took the oath of future allegiance to the "Greek" Nation, and were duly clad in the panoply of Athens.

The following is our organization:

BRO. W. C. RANSOM,	PRESIDENT.
" E. B. NOYES,	RECORDER.
" L. D. L. TOSH,	1st COR. SECRETARY.
" RALPH COLLINS,	2d " "

Never was a Chapter instituted with fairer prospects. Never did more fervent devotion to the objects of our fraternity inspire the brethren of Beta Theta Pi.

Look for the light from off our altars, our brethren of the "Grecian Band," for we mean that it shall shine with no uncertain luster. Let us have your kindly greetings, and feel the warm pressure of your fraternal hand.

Yours in the Bonds,

W. C. Ransom

President.

E. B. Noyes

Recorder.
