**The Hat Song**

The Blue Woman  
for the Green Man

Like a drug addiction with a craving  
she needs to get her fix

Wanting more  
of the Green Man's potion

She has a big addiction/powerful craving  
the Blue Woman

The Blue Woman  
for the Green Man

Like a drug addiction with a craving  
she needs to get her fix

Needing more and more  
of the Green Man's potions

She has a powerful craving  
the Blue Woman

She went down the lower Wangki river  
in a panga

A strong wind  
blew her hat off

The Blue Woman  
told the panga driver  
Let's turn back  
so I can get my hat

The Green Man  
yelled at her  
A big sadness mounted  
inside her chest

*Nakra laya bangwikan

at the moment

he asked for her forgiveness

The Blue Woman  
forgave him immediately

*Inisna ba laiksma kaka

The Blue Woman  
was thinking about that and realized  
he had put love potion in her food

When the Green Man saw her drugged  
he laughed and became elated

I'll cry everyday

## Asang Anniversary

The Blue Woman  
with the Green Man  
went from Mokoron  
and arrived in Asang  
The Green Man's mistresses were jealous

The Blue Woman  
The Green Man mistresses were jealous  
because only the Blue Women rode in  
the Green Man's truck and left with him

All the YATAMA were jealous and left  
to go farther into Honduras  
People from YATAMA during Sihkru Tara  
went to into Honduras  
But the Blue Woman and the Green Man  
went to Asang  
That's why Blue Woman is really happy  
with the Green Man

Oh! Blue Woman  
with the Green Man  
Every Sihkru is their anniversary celebration  
just for them  
in the land of Asang  
the Blue Woman was really happy

Blue Woman  
With the Green Man  
Every Sihkru is their anniversary celebration  
in the land of Asang  
Blue Woman and Green Man celebrated

From Suji you could see the Blue Woman  
with the Green Man  
just the two of them  
they arrived alone in Asang  
just the Blue Woman and the Green Man

*Asang tasbaika bilara  
manka alki liliaka witin wal daukan*

Within Asang  
they celebrated their Anniversary

*Tin mani alkikan  
liliaka tara daukata  
Asang bilara  
Mairin Blu uba lilia luan  
Waikna Sangni wal*

For their ten-year anniversary  
they joyfully celebrated  
in Asang  
The Blue Woman had a great time  
with the Green Man

*Mairin Blu Waikna Sangni wal  
Sihkru bani bali ra  
manka lilia daukisa uba lilia sa*

The Blue Woman and the Green Man  
every Sihkru  
they celebrate their Anniversary

*Asang tasbaika bilara  
Mairin Blu ba  
kaikatma uba lilia kan*

In the land of Asang  
the Blue Woman  
You should see how happy she was

*Mairin Blu na Sihkru bani balira  
Ai kupia krauki sa...  
Sihkru kum na bilara Waikna Sangni wal  
kakaira takata...*

The Blue Woman comes for  
every Sihkru as she remembers  
that on Sihkru  
she first met the Green Man

*2006 Manka bilara Mairin Blu  
Waikna Sangni ra kakaira takan wina laik takata  
Naiwa yua kat 2016 alki na tin mani awya  
Mairin Blu Waikna Sangni ra ai awyia tiwbia apia*

In 2006 Blue Woman  
she met and fell in love with Green Man  
Today in 2016 it's been 10 years  
Blue Woman will never forget Green Man

*Mairin Blu Waikna Sangni wal  
Sihkru bani balira lilia tara daukisa mani alki ba  
Asang tasbaika bilara uba lilia luan Mairin Blu  
Ai mairin Blu Waikna Sangni wal

The Blue Woman and the Green Man  
every Sihkru they celebrate an anniversary  
In Asang Blue Woman was really happy  
Oh the Blue Woman and the Green Man  
every Sihkru just the two of them celebrate

*Asang tasbaika bilara  
tin mani liliaka wal luata*

In the land of Asang  
they celebrated their ten-year anniversary

*Na lika man insinkam waikna aiwani maikisa

The Blue Woman

The Blue Woman  
is the most brave women ever  
When the mistresses see the Blue Woman  
they swim to the other side of the lagoon  
With no worries about being bitten by a fish

The mistresses (rivals)  
Swim to the other side of the lagoon  
With no worries about being bitten by a fish  
With no worries about being bitten by a fish  
With no worries about being bitten by a crab  
With their fear  
They swim on the lagoon  
When they see the mistress

In the entire YATAMA organization  
She is a powerful Woman  
She is being helping them

Every time  
With the young men  
With the young girls she comes to help them

They go far away from her

They don't approach her

She supports them a lot  
without expecting anything in return  
with her willingness
