AUSLEGUNG: A Journal of Philosophy

AUSLEGUNG is published two times a year at the University of Kansas. The Journal is intended as a forum for the expression of any and all philosophical perspectives. The editors are primarily interested in publishing the work of new Ph.D's and advanced students pursuing the Ph.D. degree, but all technically competent papers of philosophical interest will be considered. The annual subscription rate is $6.00 to individuals, $4.00 to students and $10.00 to libraries and other institutions. Prices for individual copies or back issues are available on request.

Persons wishing to submit papers should note the following: papers normally should not exceed 30 typed, double-spaced pages, although longer papers may be considered in some cases. Contributors should submit three clear, error-free manuscripts in the style suggested by The MLA Style Sheet, second edition. AUSLEGUNG subscribes to a blind review policy; the author's name and academic institution should appear only on a detachable cover sheet. Whenever possible, AUSLEGUNG furnishes copies of the referees' comments to contributors.

Book reviews and review articles may be written on books listed in the "Books Available" column. Books not listed in the column may be reviewed if the Book Review Editor is notified and gives approval in advance. Any individual who wishes to review a book should inform the Book Review Editor of the book(s) he or she wishes to review. Books will be sent on a first-come first-served basis. Papers should be sent to the Editor and book reviews to the Book Review Editor in care of AUSLEGUNG, Department of Philosophy, University of Kansas, Lawrence, Kansas 66045. In order for manuscripts to be returned to the author they should be submitted along with return postage.

AUSLEGUNG gratefully acknowledges the support it has received from the Student Activity Fee through the Student Senate and the Graduate Student Council of the University of Kansas.
