Auslegung: A Journal of Philosophy

Auslegung is published semiannually through the auspices of the University of Kansas. The Journal is intended as a forum for the expression of any and all scholarly philosophical perspectives. The editors are primarily interested in publishing the work of new Ph.D.'s and advanced students pursuing a Ph.D. degree in Philosophy. However, all technically competent philosophical work will be considered. Auslegung opposes all forms of discrimination on the basis of race, gender, creed, age, sexual orientation and national origin.

Persons wishing to submit papers should note the following: papers normally should not exceed 30 typed, double-spaced pages, although longer papers may be considered in some cases. Contributors should submit three clear, error-free manuscripts in the style suggested by The MLA Style Sheet or The Chicago Manual of Style, the most recent edition, if possible. For additional information about gender inclusive language, consult Virginia L. Warren's "Guidelines for the Nonsexist Use of Language" in APA Proceedings 59 (1986): 471-484. Auslegung subscribes to a blind review policy; the author's name and academic institution should appear only on a separate cover sheet. Whenever possible, Auslegung furnishes copies of the referees' comments to contributors.

Book reviews and review articles may be written on books listed in the "Books Available" section. Any individual who wishes to review a book should inform the Book Review Editor of the book(s) she or he wishes to review. Books not listed in this section may be reviewed if the Book Review Editor is notified and gives approval in advance. Papers and book reviews should be sent to the Editor and Book Review Editor at the following address:
