**NOTES**

Please make reservations for dinner or luncheon through Doctor C. H. Munger, County Health Department, Emporia. Dinner, 75c; Luncheon, 60c.

A cordial welcome is extended to physicians, nurses, educators and social workers to join us in these health meetings. We urge that all attending make a special effort to be present at the opening hour. Register and meet old and new friends. The days will be full, and each and every part of the program will be interesting and helpful.

Tuberculosis Workers will find opportunity during afternoon of Thursday for personal conference with staff members of the State Association. Headquarters will be in the Club Room.
