Come celebrate Jazz Night 2010!  
See Page 3.

“No winter lasts forever; no spring skips its turn.”  
~Hal Borland

University of Missouri-Kansas City School of Medicine
The UMKC School of Medicine offers an innovative, combined B.A./M.D. degree program. A limited number of positions may become available each year for M.D.-only students, who begin their curriculum in the second semester of Year 2 of the program. The School partners with five of the area’s leading health care institutions – Children’s Mercy Hospital, Saint Luke’s Hospital of Kansas City, Truman Medical Centers, Veteran’s Affairs Medical Center and The Center for Behavioral Medicine.
Lisa Lowe, M.D., UMKC School of Medicine chair of radiology and director of the radiology residency program. See story on Page 16.
