Sponsorship: The traveling exhibition "Changing the Face of Medicine: Celebrating America's Women Physicians" was developed by the Exhibition Program of the History of Medicine Division of the National Library of Medicine in collaboration with the American Library Association Public Programs Office. The traveling exhibition has been made possible by the National Library of Medicine and the National Institutes of Health Office of Research on Women's Health. The American Medical Women's Association provided additional support.

This project has been funded in whole or in part with Federal funds from the National Library of Medicine, National Institutes of Health, Department of Health and Human Services under Contract No. N01-LM-6-3504 with the University of Utah."
