

Political donations' impact on stocks

When trying to find a good stock pick, you might want to stay away from companies that make large political contributions, according to a new study co-authored by Felix Meschke, assistant professor of finance at the KU School of Business.

TODAY'S HEADLINES

Study: Sustainability in the military

America's military provides a sterling example of how to become sustainable, reduce energy consumption and save lives — all without pitting ideological sides against one another, according to Simran Sethi, KU associate professor of journalism.
