NOTE: order to be accepted by KU for electronic publication in ScholarWorks, the title of the presentation provided below must match exactly to the title page of the electronic presentation submitted by the student to ScholarWorks.

Reducing Physical Tension in the Beginning String Orchestra

Q4. Presentation Abstract

Reducing physical tension in the beginning string orchestra is essential to creating a healthy young musician. This session will focus on the two aspects of a musician's tension: the mental and physical.

Q5. Please provide 3-5 keywords for user searches within ScholarWorks

Keyword 1	Musician
Keyword 2	Orchestra
Keyword 3	Mental
Keyword 4	Physical
Keyword 5	Tension

Q18. Please upload a PDF copy of your presentation.

KU ScholarWorks Publication Release

Purpose of this Document:

Student papers, projects, and other academic creations, whether in printed or electronic form, nearly always enjoy automatic copyright protection as soon as the work is fixed in some tangible form.

Student academic creations might also constitute academic records and be subject to privacy protections under other federal and state laws.

Kansas Board of Regents Intellectual Property Policy (Section A.5), the Student Records Policy, and other federal and state laws (e.g., the Family Educational Rights and Privacy Act and the Kansas Open Records Act) may define and protect student records and other privacy interests relating to the use and release of materials arising out of or prepared for educational endeavors.

By signing this Release form, the student is specifically granting a non-exclusive distribution license to the University of Kansas (KU) for the purposes set forth in this document, authorizing disclosure of the student's work to others, and is relinquishing and waiving any claims that may arise under any statutory or common law protections as a result of the use of this work for these purposes.

Non-exclusive Distribution License:

To properly administer this Research Repository and preserve the contents for future use, the University of Kansas (KU) requires certain permissions from you, the author(s) or copyright owner. By accepting this license, you still retain copyright to your work. You do not give up the right to submit the work to publishers or other repositories. By accepting this license, you grant to KU the non-exclusive right to reproduce, translate (as defined below), and/or distribute your submission (including the metadata and abstract) worldwide, in any format or medium for non-commercial, academic purposes only.

KU will clearly identify your name(s) as the author(s) or owner(s) of the submission, including a statement of your copyright, and will not make any alteration, other than as allowed by this license, to your

submission. You agree that KU may, without changing the content, translate the submission to any medium or format and keep more than one copy for the purposes of security, back up and preservation. You also agree that authorized readers of your work have the right to use it for non-commercial, academic purposes as defined by the "fair use" doctrine of U.S. copyright law, so long as all attributions and copyright statements are retained. If the submission contains material for which you do not hold copyright and that exceeds fair use, you represent that you have obtained the unrestricted permission of the copyright owner to grant KU the rights required by this license, and that such third-party owned material is clearly identified and acknowledged within the text or content of the submission.

Q8. By entering my name below below, I agree to the terms of the Non-exclusive Distribution License and attest to the accuracy of all the information I have supplied in this form.
